Hyderabad
10th September 2020

To
Shri Narendra Modi ji,
Honourable Prime Minister of India,
New Delhi.

Most Respected Sir,

Sadar Pranam!

Reg: Revision / Updation of Bank Retiree's Pension.

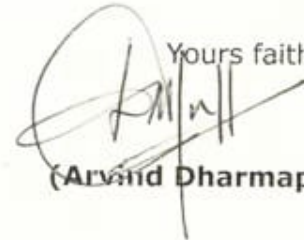

It is informed by the representatives of Telangana Bank Retirees Federation (TBRF) an affiliate of All India Bank Retirees Federation (AIBRF), a major Bank Retiree's Organisation of the country, that the revision/updation of pension for bank retirees has not taken place since long.

Most of the Bank Retirees are entering in to their late years and the present pension is quite inadequate to meet their minimum needs while medical expenses are on the rise. The pension updation is taking place in normal course in Central and State Governments and it is learnt that recently government has extended the benefit of pension updation to Reserve Bank of India (RBI) retirees.

In the above context, I earnestly request you to consider the Pension Revision for all Bank Pensioners in line with RBI.

Thanking you,

Yours faithfully

(Arvind Dharmapuri)
